

Dear Member,

Membership Evening Lecture Series

Theme: "Core Competence Development Through Psycho-Cybernetics"

Core Competence Development Through Psycho-Cybernetics concerns a scientifically proven technique of activating one's hidden potential, which is infact very much underutilized. Once untapped, the power within can let anyone reach unbelievable pinnacles of success; sky is the limit! The technique involves harmonizing the Brain Power with the infinite potential of the Mind using the hours of sleep, when we are in the sub-conscious state of mind.

I am pleased to inform you that Lt Gen (Dr)M M Walia,PVSM,AVSM,SM, President- Yogi Institute of Holistic Management, Noida has graciously agreed to address AIMA members on "Core Competence Development Through Psycho-Cybernetics" on Friday, 11th December 2009 at AIMA- Auditorium, Management House, Lodhi Road New Delhi from 6.30 pm. to 7.45 pm.

May I request you to please make it convenient to participate in the "interactive mini workshop". You are welcome to bring your colleagues to derive maximum benefit from this programme.

We look forward to your confirmation.

Regards

Sanjay V Srivastava
